Purpose

The purpose of this disclosure of information is to improve assessment and treatment planning, share information relevant to treatment and when appropriate, coordinate treatment services.

Revocation

Unless sooner revoked, this will expire one year from the Signature date: Or as otherwise

Indicated: _____

Expiration

I understand that I have a right to revoke this authorization, in writing, at any time by sending written notification to Joliet Center Clinical Research. I further understand that a revocation of the authorization is not effective to the extent that action has been taken in reliance on the authorization.

Conditions

I further understand that Joliet Center Clinical Research will not condition my treatment on whether I give authorization for the requested disclosure. However, it has been explained to me that failure to sign this authorization may have the following consequences: Non-disclosure

Form of Disclosure

Unless you have specifically requested in writing that the disclosure be made in a certain format, we reserve the right to disclose information as permitted by this authorization in any matter that we deem to be appropriate and consistent with applicable law, but not limited to, verbally, in paper format or electronically.

Redislosure

I understand that there is the potential that the protected health information that is disclosed pursuant to this authorization may be rediscovered by the recipient and the protected health information will no longer be protected by the HIPPA privacy regulations, unless a State law applies that is more strict than HIPPA and provide additional privacy protections.

Signature of the Patient: _____ Date: _____

Signature of Personal Representative: _____ Date _____

Relationship to Patient if Personal Representative: _____
